Let's Talk Investment

The Scottish Cities Alliance is a unique collaboration of Scotland's eight cities - Aberdeen, Dundee, Dunfermline, Edinburgh, Glasgow, Inverness, Perth, and Stirling - and The Scottish Government. Together we are dedicated to promoting the great economic potential of our country. As a comprehensive resource for investors, this newsletter will highlight the diverse investment opportunities across all eight vibrant and unique cities.

The Alliance partners are pleased to announce that they will be returning to London in January 2024 for Scottish Cities Week! The cities will come together to showcase investment opportunities and their thriving sectors, through a dedicated platform, engaging with over 140-investors and developers.
